Hi Debra,

Given that EFED was working on the decision document until late yesterday, and you had to pull over new revisions, I was just wondering if we were going to get a chance to do one more review just to make sure things were captured? I see that there is a version on the SharePoint site now, but I don't want to assume that is what I should be looking at.

Thanks,
Amy

Subject: Aldicarb - Decision Document - Locked for sharing

Hi Team,

We will be "unsharing" the draft decision memo to allow us to work through the comments. We will be following up with the team as needed if we have any questions or need assistance in responding to any of the comments or directives.

Please let us know if you have questions or have any comments that have not been captured yet.

Thanks,
Debra
